

1. reason for being no longer believed to be a "ghost citi" materializing the reality from a ghost dimension whose ghost's have
  2. tangible remains having been seen no longer been stunned by a mirage of their "own 'ghost citi' in their own sky
    - \* amazed 2 fuck recorded footage that cd have been a 'vortex' to a ghost citi
    - \* pic-check there were not actually any of the building already there
- 8 structurally blurred with a resemblance to a human structures

i. ghost citi Weston vexed itself out of existence has produced ghost towns  
 ii. what I think of Ghost Cit is the well it thinks it is
